East Cooper Habitat For Humanity

East Cooper Habitat for Humanity is a non-profit housing organization that works with all people to develop communities for people in need by building homes in South Carolina. Our goal is to eliminate poverty housing East of the Cooper River in Charleston County and select areas of Berkeley County. Our homeownership program provides strength, stability and self-reliance through shelter. We believe that every man, woman and child should have a decent, safe and affordable place to live.

Founded on January 31, 1990 by a small group of individuals from Mount Pleasant Presbyterian Church and a land donation from the Town of Mount Pleasant, within the first year we had completed our first home and by 1995 we built our first neighborhood consisting of ten homes. By 2003, our 25th home was completed and in 2008, we celebrated our 50th home. Since then we have built over 80 homes, are currently building three more homes in our community and have completed countless repairs in substandard housing.

Why Sponsor?

Events are important to our organization for a multitude of reasons - not just the bottom line. While funding our mission is important, there are a slew of other benefits that come from events, including building camaraderie among existing supporters, welcoming new supporters into the East Cooper Habitat family and increasing engagement. And we can't forget, just to have fun and celebrate the work we do in our community!

As a business, by sponsoring an event you are standing by East Cooper Habitat and sending our community and your own employees the message that you support the goals and mission of our work to end housing inequality for low-income families in our community.

Additional sponsorship benefits:

1. **Recognition:** Be acknowledged for showing true commitment to the community.
2. **Visibility:** You will build awareness for your brand and mission.
3. **Relationships:** You can generate contacts and possible business opportunities.

Sponsor Benefits

Sponsoring an East Cooper Habitat event comes with a list of benefits for your investment. As sponsorship levels increase, so do the benefits.

Marketing and Communications

All sponsors are recognized in ongoing marketing and communications leading up to the event including company name/logo on social media, monthly newsletter mentions, main website and event website mentions.

Higher level sponsors may have their logo on event invitations, event banners and in press releases.

Signage

All sponsors are recognized on digital and/or printed signage at the event. Higher level sponsors may also have their company name/logo on event banners, course signs and plaques.

Event Attendance

Event tickets are included with most sponsorship levels. We do offer a few sponsorships that do not include event attendance as some partners prefer the above benefits and are not interested in attending events.
